To whom it may concern

Marshall Hinds has supplied Majestic Labels with Tyvek® for the past 4 years. During this time they have printed tags and labels of the highest quality and shown themselves to be a dependable partner in the print on plastics market.

Marshall Hinds Pty (Ltd) specialising in print-on-plastics, is the South African distributors of top brands from DuPont™, the international leader in breakthrough products, ideally suited for the graphics, construction, home and landscaping industries.

Tyvek®, Brillion® and Imvelo™ are lightweight, strong, durable, 100% recyclable and adaptable to any graphics application. These printing substrates are available in different grades and style with versatility to suite every printing application.

We thank Majestic Labels for their continued support.

Yours sincerely

Mike Bath
